

Resolution re: Dogs on Leash

Read and Passed by Copperfield HOA Board of Directors on 7/23/24

Dogs on Leashes: After reviewing language in the Copperfield Covenants and Bylaws and seeking guidance from the HOA's attorney, the Copperfield HOA board of directors does not prohibit dogs from being walked on leashes in Copperfield subdivision. Dogs and other pets may roam without a leash only on the owner's property; however, when off property, dogs should be on a leash. When walking a dog in Copperfield subdivision, the owner is responsible for properly restraining the dog (on a leash) and for cleaning up after the dog if it relieves itself while walking.
