

## **Resolution re: Dogs on Leash**

**Read and Passed by Copperfield HOA Board of Directors on 7/23/24**

**Trampolines:** After reviewing language in the Copperfield Covenants and Bylaws and consulting with the HOA's attorney, the Copperfield HOA Board of Directors does not find any language that prohibits Copperfield residents from having trampolines in their back yards. The Board of Directors does not interpret "temporary structure" to mean trampolines. Instead, the board has decided that trampolines, which are designed for exercise and recreation, are allowed in Copperfield neighborhood residents' back yards.
